

City of Santa Clarita
Global Positioning Systems in City Vehicles Policy
Acknowledgment

I acknowledge that I have received a copy of the City of Santa Clarita's Global Positioning Systems in City Vehicles Policy. I further acknowledge that I have read and understand the provisions of the Policy and my obligations under it.

I recognize and understand that the City's Fleet Management System and GPS units are to be used primarily for conducting City business. I am aware that I have no expectation of privacy or confidentiality when operating, using or riding in City vehicles. I understand that the City has, and will exercise, the right to monitor, review, copy, and/or disclose all data and information gathered by the Fleet Management System and/or GPS units at any time, with or without notice to me, and that such access may occur during or after working hours.

I also hereby consent that the City may monitor, review, and/or copy any information and data, both personal and business related, gathered by the City's Fleet Management System and/or GPS units at any time, and may, without further notice, disclose that information to a third party, including law enforcement agencies.

My signature below further signifies that I have read this Policy and that I accept and agree to comply with all of its provisions. I understand that violation of this Policy by an employee is grounds for discipline, up to and including termination.
