The enclosed documents provide you with important information regarding healthcare coverage options and rights. The City is required to share this information with you.

Health Insurance Marketplace

The Health Insurance Marketplace offers options for buying health insurance for you and your family members. It may be useful for family members (i.e. children over age 26) who currently do not have access to health coverage. You can visit www.coveredca.com to learn more about this coverage, your eligibility, and the cost of the insurance.

Health Insurance Portability and Accountability Act (HIPAA)

HIPAA addresses the City's legal obligation regarding your protected and private health information, and how your medical information may be used, disclosed, and accessed.
