

Emergency Alert System (Nixle) *PTS Employee Contact Information*

The optional information that you provide on this form will be used to notify you via text message and/or email during a local emergency. This contact list is limited to City of Santa Clarita employees, and text alerts will be specific to City employees. Important messages may include emergency information about brush fires, earthquakes, evacuations, as well as other relevant safety information. The City's emergency notification service is secure, reliable, and has no spam or hidden cost. Standard text messaging rates may apply.

Note – City provided phones are automatically subscribed to the Nixle System.
